5. Dual Meet Schedule

- A. The NCISC will distribute a six meet dual meet schedule for each conference.
- B. Special arrangements will be made, if necessary, to avoid having split teams face each other in a dual meet. Further arrangements will be made, if necessary, to avoid split teams having a home meet on the same date.

- C. The NCISC mandatory dual meet schedule will have meets scheduled on Tuesday and Thursday evenings.
- D. Teams are free to schedule additional dual NCISC meets, but the additional cost of ribbons will be at the expense of the participating teams.
